

GEMLINE

THE CARD SHOW, ONLINE

FOR CARD SHOPS & DEALERS

Your showcase is great. Put it in **every** collector's pocket.

You already do the hard part: sourcing, grading eyes, real relationships. GEMLINE is your **second front door that never closes** – the collector three states away buys from you as easily as your Saturday regular. **\$10/month + 5% when you sell. That's the whole fee.**

SELLING NOW

MJ '98 SKYBOX **\$18,600** · MAHOMES OPTIC BLACK PSA 9 **\$19,352** · OHTANI X-FRACTOR RC **\$12,078**

Your own storefront

A branded shop page with your inventory, your story, and **real customer reviews**. Collectors follow shops they trust.

Beyond your zip code

Your best cards deserve more eyeballs than foot traffic allows. **List once, reach the whole country, 24/7.**

Keep more of every sale

Just **5% when it sells** – a fraction of what the big auction sites stack up. No insertion fees, ever. Stripe-secured payouts.

Escrow protects you too

Money held safely until delivery is confirmed. **No chargeback roulette**, no "item not received" games.

Price Guide behind the counter

1M+ cards priced live, every grade. Price trades and buy collections with confidence, right from your phone.

Auctions & real trades

Run auctions on your hits, take trade offers with a **built-in fair-value meter**. Show-table energy, online.
